Patty founded a charity called Foundation ThinkAgain! which provides rehabilitation therapies to children severely affected by cancer and brain tumors.

www.thinkagain.org. They also sell bleeding control kits and AEDs for schools, as a way to help fund the charity www.thinktraumakits.com.

FAVORITE CONFERENCE MEMORY

- The 2014 Conference was my first conference that Patty was able to attend, and it was what she had been wishing for for 17 years! She had felt so alone in this work, and to be finally surrounded by other champions was incredible.
