

## **HEAL Conference Roundtable**

### **Making a More Inclusive Hospital School Program**

The questions below will guide our discussion. Our focus will be on children with extensive support needs. Please read over the questions beforehand and come prepared to contribute to the discussion.

In what ways have you succeeded in making your program inclusive of children with extensive special education needs?

What have been challenges or barriers for you or your program? Have you found any solutions to these challenges?	
--	--

What are some next steps for you to make your program more universally accessible, especially for students with extensive needs?
