

Roundtable Session 4: Student Success Plan

Wednesday 2/24/21

4-5pm EST

We are so glad that you are planning to participate in this roundtable group. To get the most out of the presentation, please consider the following information.

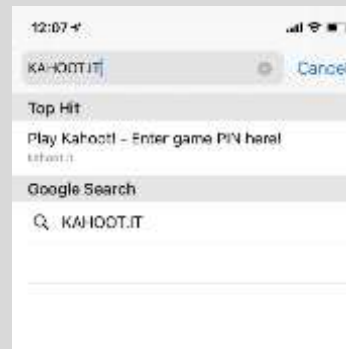

Using KAHOOT

Kahoot is an app/website that we will be using for the opening part of the Student Success round table. It is interactive 😊

You can join in the fun two different ways. Select the one that works best for you.

The two ways to participate:

Download the free Kahoot.it app for your phone so you won't have to toggle back and forth on your computer. On game day you enter the game PIN to play.

or

Go to Kahoot.it using your computer browser. Select Play Kahoot – enter game PIN

Either way –On the day of our meeting you will receive a code to enter and join the learning. You enter the ID to play!
