

# Roundtable Session 4: Student Success Plan

Wednesday 2/24/21

4-5pm EST

For your convenience, three Items are provided prior to this interactive session.

1. KAHOOT information
2. Student Success Plan for workshop practice-pdf
3. Student Success Plan - word

We look forward to working collaboratively with you! As professionals we continue to modify and create tools that assist with our work as hospital educators. Learning from each other as we explore the factors that contribute to academic success for medically fragile children is extremely challenging work. We hope that you will revise and modify the Student Success Plan that we have created to meet the needs in your unique educational setting. This is why there is a pdf for workshop participation, as well as a word document for your later revision as needed to meet the needs of your patient/student.

See you on the 24<sup>th</sup>,
